## 4. Product Classification for Transport (UN)

---

**UN CLASSIFICATION**

**PROPER SHIPPING NAME**

UN 3480

Lithium-Ion batteries

Document creation date

07.08.2020

This document remains valid as no changes, modification, or additions are made to the model(s) described in this document, after transported from a Manufacture Techtronic Industries GmbH facility.

The model(s) has (have) been classified according to the applicable transport regulations and the UN Manual of Tests and Criteria as of the date of the certification. The model(s) must packaged, labeled and documented according to country and international regulations for transportation.

## 5. Responsible person

---

A handwritten signature in blue ink, appearing to read 'M. Wieler', is written over a large, light blue, semi-transparent TTI logo watermark that spans the width of the page.

i.A. Maximilian Wieler

Manager Approvals, Associations and Standards  
Techtronic Industries GmbH
