

RHINO

HEATING, COOLING & DRYING SOLUTIONS

FEATURES

RHINO

2.2KW TQ4 HEATER

110V

751334

Impact-resistant moulded HDPE body with integrated wheels for easy manoeuvrability. Allows focused heating of objects or persons and saves energy through targeted heating rather than heating the atmosphere.

SPECIFICATIONS

- Twin 1100W Ruby Quartz halogen infra-red lamps – 95% of input energy converts into heat output
