

Simply Silent™ Illumi Shower Fan Complete

Designed for in-shower installation

Toolstation Product Code **58693**

Combining low noise levels with high extraction power, Simply Silent™ Illumi Shower Fan Complete is purpose-designed for in-shower installation. It carries-out direct extraction right at the point of humidity for a steam-free bathroom environment.

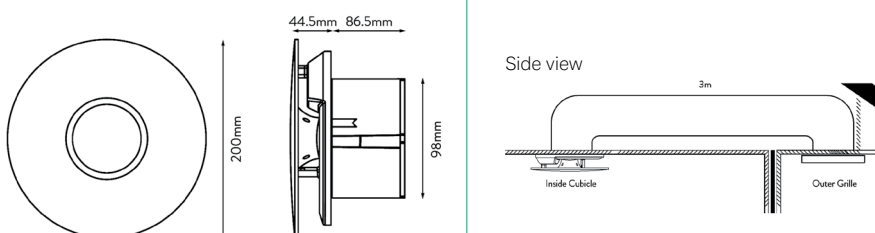

The product includes an integral warm white LED light making it ideal for in-shower installations

Illumi comes complete with a loft fitting kit – 3m of flexible ducting and an external grille - together with a SELV transformer for safe fitting in Splashzone 1 of Bathrooms and Shower Rooms. Illumi is a Timer fan. This means that it is activated by an external switch (for example a light circuit) and will overrun for a period (selectable between 30s and 30mins) once the external switch is turned off.
