Issue v2

Date: 28/04/22

| Ref. No | Description                    | SIP Part No. | Ref. No | Description              | SIP Part No. |
|---------|--------------------------------|--------------|---------|--------------------------|--------------|
| 1.      | Rear Grill                     | PW24-00345   | 16.     | Stabilization Fame Plate | PW24-00360   |
| 2.      | Barometer                      | PW24-00346   | 17.     | Injection Nozzle         | PW24-00361   |
| 3.      | Pressure Regulating Hole screw | PW24-00347   | 18.     | Electric Eye Component   | PW24-00362   |
| 4.      | Air Pump Gland                 | PW24-00398   | 19.     | Electric Eye Holder      | PW24-00363   |
| 5.      | Intake Filter Cotton           | PW24-00349   | 20.     | Fixed Tray Of Fame Plate | PW24-00364   |
| 6.      | Wool Felt                      | PW24-00350   | 21.     | Upper Cover              | PW24-00365   |
| 7.      | Air Pump Gland Gasket          | PW24-00351   | 22.     | Insulated Barrel         | PW24-00366   |
| 8.      | Air Pump Cover                 | PW24-00352   | 23.     | Left Pipe Rack           | PW24-00367   |
| 9.      | Pump Body                      | PW24-00353   | 24.     | Combustion Barrel        | PW24-00368   |
| 10.     | Pump Core                      | PW24-00354   | 25.     | Mask Assembly            | PW24-00369   |
| 11.     | Pump Blade                     | PW24-00355   | 26.     | Front Pipe Rack          | PW24-00370   |
| 12.     | Motor                          | PW24-00356   | 27.     | Outlet Pipe Elbow        | PW24-00371   |
| 13.     | Solenoid Valve                 | PW24-00357   | 28.     | Motor Bracket            | PW24-00372   |
| 14.     | Fan                            | PW24-00358   | 29.     | Switch                   | PW24-00373   |
| 15.     | Bipolar Ignition Needle        | PW24-00359   | 30.     | Fuel Meter               | PW24-00374   |
