

Simply Silent™ Contour C4TSR

4" / 100mm axial Bathroom extractor fan

Toolstation Product Code **15266**

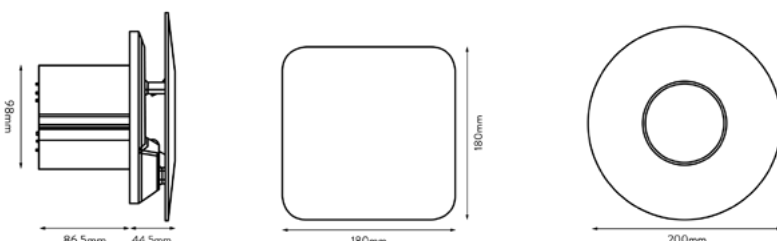

The Simply Silent™ Contour C4TSR fan effectively eliminates humidity, condensation and odours to improve air quality in bathrooms, shower rooms, cloakrooms and toilets. It uses advanced Ghost™ Air Movement Technology to deliver near-silent running. Suitable for wall, ceiling, panel and window fitting, C4TSR range has two speeds selectable at install. To maximise customer choice, C4TSR comes complete with both round and square covers in the box.

C4TSR has an overrun timer which can be set at install between 30s and 30 minutes (the factory set point is 15 minutes). This means that the fan continues to operate for this time once the external switch (for example a lighting circuit) is turned off.

Technical Details

	C4TSR
No. of Speeds	2
Power (W)	6.3/7.0
Duct Size (mm)	100
Flow rate (l/s)	15/21
Flow rate (m3/h)	54/76
Noise dB(A)3m	15/29
Specific Fan Power SFP (W/l/s)	0.42/0.33
IPX Rating	IPX4
Motor Type	AC
Pullcord	
Timer (30s–30mins)	✓
Humidistat (50 to 90%)
