SPECIFICATION

Model:	27921
Material:	Die-Casting Aluminum
Wattage:	Max.20W
Lumen:	2000LM
Product Size:	225.8x192.0x138.3MM
Colour Temperature:	6500K
Dimmable:	Yes(100%~50%~25%)
Ra:	>80
IP rating:	IP20
Impact protection rating:	IK06
Output current:	5V,1A
Net Weight:	0.95Kgs

EXPLANATIONS AND SYMBOLS,CAUTIONS AND WARNINGS

Replace any cracked protective shield
27921:46.5x46.5x2mm

The product complies with the applicable European Directives and an evaluation method of conformity for these Directives was done.

UK Conformity Assessed

This marking indicates that this product should not be disposed with other household wastes. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources.

This appliance is for indoor use only. Do not expose to rain.

HEALTH AND SAFETY

- Do not use the fitting without the safety shield fitted.
- Replace the safety shield if it is cracked or broken.
- IP20, only suitable for indoor use.
- Before using this product, please check the battery pack brand as this model only provides the adapter for 18V Hawksmoor, Milwaukee & Dewalt battery packs.
- Before using this product, please install the battery pack correctly according to the instructions.
- Please recharge the battery pack when the second low voltage warning occurs.
- When removing the battery pack, be sure to press the trigger on the battery pack, then pull out the battery pack.
- Insert the battery in the direction of the adapter port pin until fully connected. Press and hold the trigger on the battery and pull out from the worklight in the direction of the adapter port pin to remove the battery.
- Rechargeable battery shall be removed from the worklight before being charged.
- Exhausted battery shall be removed from the worklight and safely disposed of.
- If the worklight is to be stored unused for a long period, the battery shall be removed.
- The supply terminals shall not to be short-circuited.
- Avoid falling products from high places.
- Do not stand the work light in a walk-way or thoroughfare to avoid damage or injury.
- Use only on a firm, flat and level surface.

ASSEMBLY AND USE

When assembling, ensure the screw provided is tightened enough to hold the adapter port in position.

① Remove screw

② Insert adapter

③ Lock screw

CARE AND CLEANING

- Do not use abrasive or chemical cleaners. Clean your worklight only with a soft and dry cloth.

TROUBLE SHOOTING

Use this section to help you to try and solve any problems you may have:

- Replace any cracked protective shield.
- This worklight has low voltage protection. There is a low battery voltage alarm and the first warning will appear when the battery voltage drops to 17V where a light will blink twice. When the battery voltage drops to 15.6V, the light will blink three times. The worklight will stop working when battery voltage drops to 14V.

NOTE: IF YOU EXPERIENCE A PROBLEM WITH YOUR APPLIANCE, PLEASE DO NOT ATTEMPT TO OPEN OR REPAIR THE PRODUCT YOURSELF. DOING SO MAY VOID THE GUARANTEE AND COULD CAUSE DAMAGE OR PERSONAL INJURY. IF THE PROBLEM STILL PERSISTS, PLEASE CONTACT US BY REFERRING TO THE SERVICE & SUPPORT INFORMATION ON THE FOLLOWING PAGE.

DECLARATION OF CONFORMITY/PERFORMANCE

ENVIRONMENTAL INFORMATION

The symbol on the product or its packaging indicates that this product must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment. The separate collection and recycling of your waste equipment at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For more information about where you can drop off your waste for recycling, please contact your local authority, or where you purchased your product.

GUARANTEE

WESSEX products deliver reliable service for normal settings. All WESSEX products are individually tested before leaving the factory.

Your product is under guarantee for 1 year from the date of purchase or the date of delivery of the product, if later.

The guarantee is subject to the following provisions:

- The guarantee does not cover accidental damage, misuse, cabinet parts, knobs, or consumable items.
- The product must be correctly installed and operated in accordance with the instructions contained in this manual.
- The guarantee will be rendered invalid if the product is re-sold.
- Specifications are subject to change without notice.
- The manufacturer disclaims any liability for the incidental or consequential damages.
- The guarantee is in addition to, and does not diminish your statutory or legal rights.
